

# HENRIK IBSEN'S «PEER GYNT»

*with music inspired by Edvard Grieg*

Many of Norway's greatest artists have walked through the Gudbrandsdalen valley in search of inspiration. The valley tells folktales about trolls and hulder, as well as historical persons like Peer Gynt.

*At the outdoor theater play "Peer Gynt" by lake Gålåvatnet, Norwegian drama, music and nature come together for an evening of spectacular adventures in Peer Gynt's birthplace.*

On your way to Gålå, visit Maihaugen, one of Europe's largest historical outdoor museums. Experience what Ibsen and other famous artists saw on their journey up Gudbrandsdalen valley.

Travel over the mountain to Gålå for scenic sights and a connection to the Norwegian nature

*We invite you in to Gudbrandsdalen valley, to experience Norwegian culture and nature through Peer Gynt.*
